

To All,

I can't begin to start thanking everyone who helped take part in my Tiffany's wedding. Comments from everyone - the rooms were beautiful, the service checking in was friendly & helpful. The pool lady was very nice.

The room was breathtaking, "Grand North". The food was fantastic & service was the same. Everyone got great service also at the bar & was very happy! Security was kind to us. From 300 people only positive compliments were spoken.

My Tiffany and my new son Jason - had the same feelings and heard the same comments. We thank every single one of you for a job well done. I knew going in this is the Best place to have a wedding. I was right!

Love you very much,

Marie - The Bride's Mom.
